

Northeast Kingdom Energy Fair II
Saturday, March 27, 2010 9am – 4 pm
Lyndon State College – Lyndonville, Vermont

Exhibits, Vendors, Demonstrations & Educational Workshops

Presented by: Northeastern Vermont Development Association
Serving Caledonia, Essex and Orleans counties

FREE Admission – Homeowners, Farmers, Contractors and Business Owners

LEARN about renewable and alternative energy from Vermont's energy technology experts

TALK with industry leaders and Vermonters who use Solar, Wind, Hydro and Biomass systems

SAVE on energy improvements and green building projects with special low interest loans, rebates, incentives, and tax credits

Exhibitors Welcome!

- **Exhibit Space - \$100**

Exhibit space includes table, chairs, small company ID sign and a listing in the program directory. Space sizes vary. All exhibitors are offered the opportunity to conduct a free 30-60 minute educational workshop on Saturday.

Radio advertising opportunities are available through our Sponsor, *VT Broadcast Associates* with (5) stations throughout the Northeast Kingdom in Caledonia, Essex and Orleans counties. Live remote broadcasting on Saturday.

Ask about being a Sponsor with your company logo attached to advertising and promotional print materials.

Join others who share your commitment to a clean energy future!
